Dear Friends,

Earlier I wrote in this forum about my plans for a big cycling trip around the Baltic States, St Petersburg, Finland, Sweden.

I am on my way now, and things are going quite well. At the moment I am close to Narva/Ivangorod, and I expect to enter Russia tomorrow morning (9th July), if Russian officials allow me.

My plan is to arrive in St Petersburg at the 11th of July in the evening. I will take the coastal road from the west, along Peterhof and then further to the city centre.

My question is if there is anyone who would like to cycle with me from Peterhof (or closer to the city) to my accommodation (near metro Polytechnitjskaja), show me the way etc. I will manage myself I think, but it would be nice if someone is willing to help me.

As I do not have access to Internet all the time, the best way to contact me is by SMS. After I enter Russia (the morning of the 9th July), I will have my Russian telephone number working again, and you can send me SMS if you are interested. My number is +7 921 8615975.

Thanks in advance for your help and good cycling.
