More and more cyclists cross the RUS-FIN border every day

Last Sunday I crossed the russian-finnish border via Brusnichnoe - Nuijamaa crossborder point on the saddle. There were two another cyclists, when I went to Finland, and three on my return way.

Fantastic!

PS: I spent that time for customs/passport procedures:

Brusnichnoe - 4 minutes

Nuijamaa - 2 minutes

Nuijamaa - 1 minute

Brusnichnoe - 5 minutes

I showed only my Russian passport (with Finnish visa, Schengen type), and got 4 stamps.
Nothing additional papers!
