Motivation:

My father with some hundred thousand other Hungarian civilists was deported by the Soviets from Hungary to the Soviet Union for so called "small labour" malenkij robot (to labour camp) in January 1945 .

In memory of those prisoners, I dedicate this tour. I also want to meet locals, because he had a good opinion(experience) about the people in the mountains,where the prisoners worked.

Schedule and route of the tour started from the Turkish-Georgian border arond August 6th.

I will be travelling and climbing moutain passes in Turkey between August 1st and 6th. Details at I am looking forward to cyclists who can join me even for one day

Yes, it's very interesting trip. NB! Borders of GEO<->RUS and AZ<->RUS are opened now (from summer 2011) for all citizenships. So, welcome to Russia via Dariali(GEO)<->Verkhny Lars(RUS) crossing border point.

Unfortunately, Hungarian government broke up the visa-free agreement with Russia in 2001, so you must have visa to entry to Russian Federation.

The European Union made this decision.
I cycled last August to the Georgian-Russian border.
You were not allowed to cross it at Verhniy Lars by bicycle, only by car !!!
